EXPERIENCE

Software Developer Engineer Intern (Remote)

June 2023 - August 2023

Nourish Genie

- Worked on web development with **Nodejs** and **Reactjs**
- Integrated additional features, bringing the website's completion from **40%** to approximately **80%**
- worked with tools like **git** and **github** to handle the **version control** for the website
- optimized the website, reducing its overall size from **145MB** to **9MB**

EDUCATION

Bachelor of Engineering in Computer Science

Grad - June 2025

Institution - Mumbai University (Terna Engineering College) (CGPA: 7.7)

Mumbai, India

PROJECTS

Movie Recommendation Website

html, css, js, reactjs, nodejs, mongodb

- Utilized a back-end framework like Node.js to create a **RESTful API** to serve movie and user data
- Integrated third-party **APIs** like the Movie Database API to retrieve movie info and recommendations.
- Implemented user authentication and authorization features using **OAuth** and **JSON Web Tokens (JWT)**.

Sign Language to speech conversion website

Python, tensorflow, reactjs, nodejs, mongodb

- Trained ml model using **gesture recognition** framework, also added a **feedback loop** to improve the recognition quality.
- Implemented text to speech conversion in **multiple languages**.

Disaster's Destruction level prediction using satellite Imagery

Python, tensorflow, reactjs, flask

- Machine learning model built with **TensorFlow** for disaster damage prediction using **satellite imagery**.
- **Flask backend** implemented for serving model predictions and handling HTTP requests.

PROFILE LINKS

Codechef (Max Rating = 1489)

Leetcode

TECHNICAL SKILLS

Languages/Technologies: html, css, js, nodejs, mongodb, python, cpp, c, git

Frameworks/Library : reactjs, nextjs, bootstrap, tailwind css , flask

Platforms Used: Github, Gitlab, render

ACHIEVEMENTS

- Won in a **Dsa based hackathon** with over **500+** applicants conducted at AMITY University
- Placed **top 13** in a hacathon with over **800+ applicants** conducted at Thadomal Engineering College
- Placed **top 10** in a hacathon with over **300+ applicants** conducted at AMITY University
